NEW STATEMENT:

Due to implications of circular issued by General Authority of Sports, the following changes apply to X30 Mini and Rookie classes:

5.1 IAME Series - X30 Mini (“Rookie Category”)

Minimum age: 8 years old

Maximum age: 10 years old

5.2 IAME Series - X30 Mini (“Mini Category”)

Minimum age: 8 years old

Maximum age: 12 years old (did not reach 13th birthday during 2020/2021 season)

X30 Rookie category is temporary cancelled until further notice from General Authority of Sports.

In the case the ban issued by GAS is lifted, X30 Mini drivers affected by the age restriction will have their own classification starting from whichever round it is allowed to.

The organizers will do their best to compensate the missed races by having additional events for those drivers, if possible.

In connection with the above, three IAME International Final tickets will be awarded to the highest ranked drivers in overall X30 Mini classification when/if the restriction is lifted and all Mini’s joined together (all ages).

In the case the ban is not lifted by GAS before the end of 2020/2021 season, all three tickets to IAME International Final will be awarded to top 3 X30 Mini class drivers who are not affected by the age restriction.
